RE: HIPAA Special Enrollment Notice

Our records show that you are eligible to participate in the company's Group Health Plan (to actually participate, you must complete an enrollment form and pay your share of the premium). A federal law called HIPAA requires that we notify you about some important provisions in the plan.

I. SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

If you are declining enrollment because you and/or your dependents are covered under a Medicaid plan or state Child Health Plan (CHIP) and that coverage is terminated due to a loss of eligibility, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after the date that termination of such coverage occurred and meet certain other important conditions described in the Summary Plan Description.

If you and/or your dependents are determined to be eligible under a state's Medicaid plan or state Child Health Plan (CHIP) for premium subsidy assistance, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days of the determination of eligibility for premium subsidy assistance for you or your dependents and meet certain other important conditions as described in the respective Summary Plan Description.
